Young Survival Coalition

YSC's Tour de Pink East Coast ride

Mission: To help women deal with the unique challenges that come with being diagnosed with breast cancer at a young age, including higher mortality rates, fertility issues and early menopause.

History: [Young Survival Coalition](#) (YSC) was founded by three women all diagnosed with breast cancer before age 35 who realized more information, support and research was needed for young women with breast cancer.

Resources available: YSC provides free resources, connections and educational material to young women diagnosed with breast cancer. The group also works to educate and influence the medical, research and legislative communities on the unique challenges of young women with breast cancer.

Financial information: \$3.6 million annual revenue; 75.5 percent goes directly toward program expenses.
