

# Fundraise like a *pro*

## Giving Thanks to those who supported your Tour de Pink ride!

As the month of gift giving arrives, say thank you to those who have gifted you. Have you thanked the donors who donated to your journey of 200 miles? Are they aware of how their fundraising dollars helped young women affected by breast cancer? Send them articles from [Tour Talk's Fast Facts section](#) to show what YSC is doing with their support.

Show your thanks with the below ideas!

- Send them personalized [thank you cards](#)
- Use your personal headquarters to send a thank you [email](#)
- Send them Tour de Pink accessories to wear like [socks](#), [bandanas](#) or a [polar water bottle](#)
- Send them a customized photo book with [pictures](#) from you riding in Tour de Pink!
